

**A.R.E. Weapons**  
**FREE IN THE STREETS**  
 Out 24 Oct \*\*\*  
 Moody, arty New York 'street' music?   
 Sounds like 70s electro-punk group Suicide?   
 So, sparse synths, guitar blasts and some howling?   
 Comedy skits between tracks?   
 Could be the soundtrack to the film *The Warriors*?   
 Members actually quite posh?

**Maxim UK**

October 2005

Three Stars

- Moody, arty, New York 'street' music? *check*
- Sounds Like 70s electro- punk group Suicide? *check*
- So, sparse synths, guitar blasts and some howling? *check*
- Comedy skits between tracks? *X*
- Could be the soundtrack to the film *The Warriors*? *check*
- Members actually quite posh? *check*
